

From the makers of the best-selling GelPro Medical Anti-Fatigue Mat, the **Disposable Surgical Comfort Mat** is a **disposable, one-time comfort solution for surgeons, nurses and technicians** who stand during strenuous surgeries. This conveniently-sized anti-fatigue mat is remarkably portable while delivering premium comfort and lasting support to feet, legs and back areas. GelPro's Disposable Surgical Comfort Mat is ideal for use during medical procedures where enhanced infection prevention is of utmost importance.

An affordable and efficient comfort solution, the Disposable Surgical Comfort Mat provides:

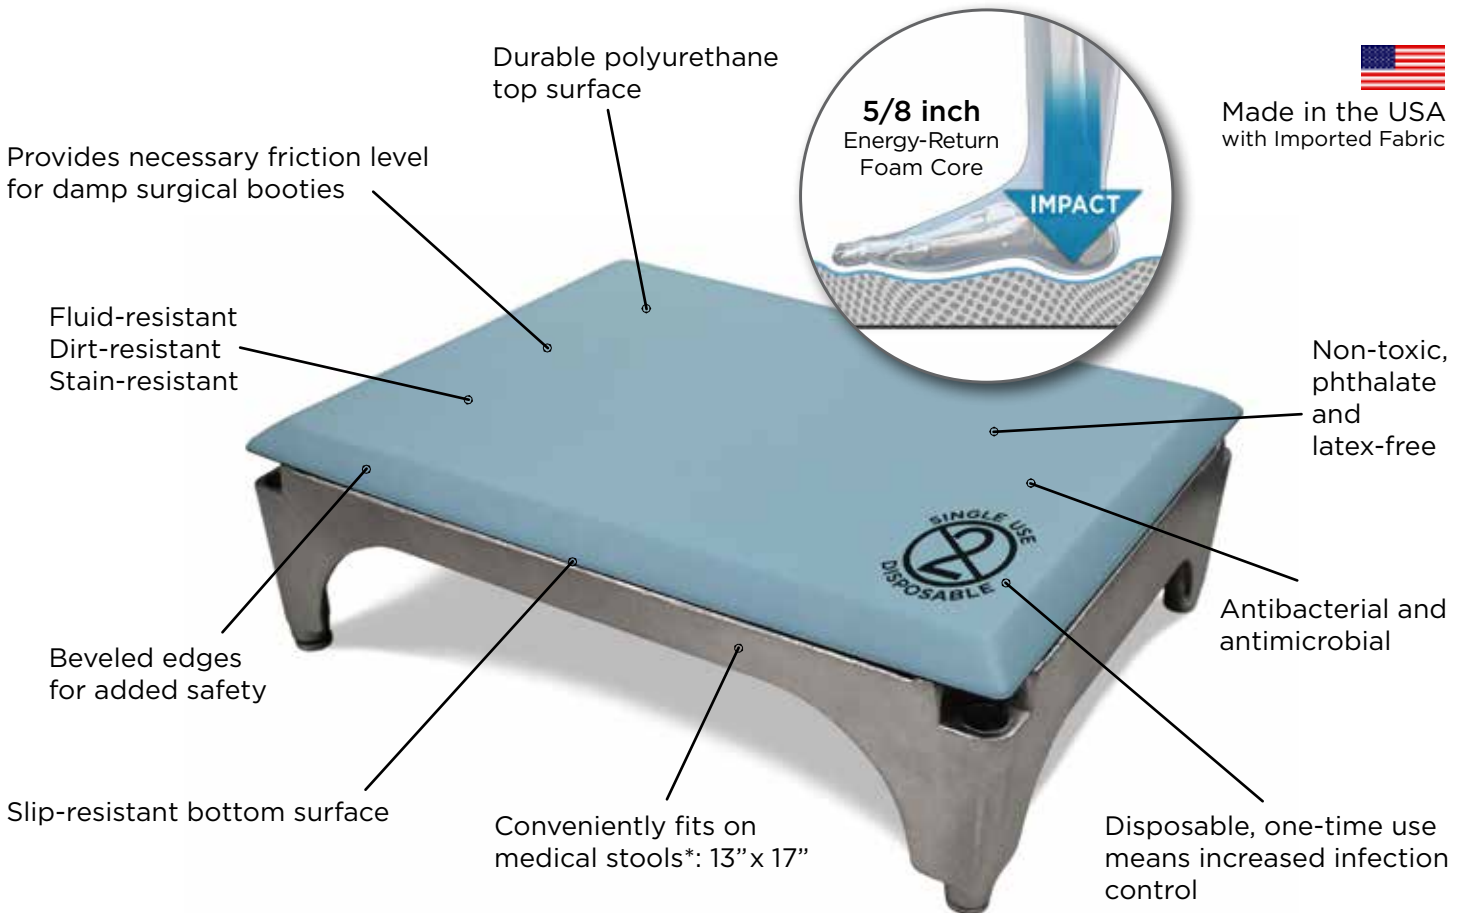

- ▶ Time savings with faster room turnover
- ▶ Reduced labor cost on cleaning and re-stocking
- ▶ Reduced cleaning cost on cleaning agents, devices and water
- ▶ Reduced equipment loss ratio

Proudly made in the USA with imported non-toxic and phthalate-free polyurethane, this Disposable Surgical Comfort Mat restores energy while increasing focus and productivity during medical procedures.

From the makers of the best-selling GelPro Medical Anti-Fatigue Mat, the **Surgical Comfort Stool Mat** is a **disposable comfort solution for surgeons, nurses and technicians** who stand on stools during long surgeries. This supportive anti-fatigue mat provides instant relief while restoring energy and increasing productivity during medical procedures.

Proudly made in Texas with imported top material, this Disposable Surgical Comfort Stool Mat absorbs the impact and stress of standing while providing proper ergonomic support to feet, legs and back areas.
