

# PureStation™ Sink Insert

We recently asked our customers what they like about the PureStation Sink Insert. Here is what they said...

“The PureStation helps us meet Joint Commission Standards.”

“PureStation raises our deep sinks which is easier on staff which means less back pain.”

“We had a visit from our National Program Office and your sink inserts have saved us a OSHA violation for ergonomics.”

“The PureStation is very convenient and it's much easier to flush than other methods.”

“The PureStation speeds up our cleaning process.”

“PureStation is a much better alternative to previous cleaning devices. It is more versatile and convenient.”

“The PureStation is much easier to deal with than former methods of cleaning and quicker than old methods.”

“The PureStation helps with problems of having to reach down into deep sinks...”

“The PureStation is a faster and safer way of cleaning. Easier on tech's backs.”

“We love, love, love our PureStation!”
