

PureSteel™ Halogen Magnifier Task Light: Magnifier Assembly Steps

	<p>Step 1: Put magnifier around the flexible arm (the gooseneck).</p>
	<p>Step 2: Lightly screw thumb screws on magnifying lens so that you can lower it onto the larger end securely.</p>
	<p>Step 3: Slide the magnifying lens onto magnifier head and position as needed.</p>
	<p>Step 4: Tighten thumb screws tightly.</p>
