## Four Common Stressors to Address Before Electives Resume

### CE Education Program

Pure Processing has developed a complete educational session on mitigating common sterile processing department stressors. Follow along with the steps below to participate in the full educational program and earn 0.5 CE credit.

#### STEP 1

Go to <http://pure-processing.com/resources/happy-medium/> to access the full length session video, list of questions, and a copy of our PowerPoint presentation.

#### STEP 2

Watch the full video session to answer the following educational objectives:

1. How can departments to improve ergonomic needs?
2. How can departments to reduce the amount of tedious work?
3. How can departments recognize poorly designed equipment?
4. How can departments tackle the biggest clean-up job in the hospital: case carts from the OR?

#### STEP 3

Submit an email to our Education Desk at [sastkutzbach@pure-processing.com](mailto:sastkutzbach@pure-processing.com) to receive certificates of completion to submit for CE credits.
