

Get ready for the ride of a lifetime this SP Week — explore a new SPD ride each day, packed with CE opportunities and team activities!

MONDAY: THE WRAP RUNNER COASTER

Education

The Last Line of Defense: The Impact of Prep & Pack (1 CE)

Activity

Who Has the Most Compliant Blue Wrap

Supplies:

- Instrument tray or simulation tray
- Blue Wrap-offer various sizes for participants to choose from
- Tamper-evident tape

How to play: Wrap the tray according to ANSI/AAMI ST79 Sections 9.6. Contestants are to be judged based on neatness, folds, securing and technique compliance

TUESDAY: THE SONIC SURGE

Education

Ultrasonic Cleaning: How It Works (0.5 CE)

Activity

Decon Decoder Word Search

WEDNESDAY: BIOBURDEN BUSTERS

Education

Bioburden Bible (0.5 CE)

Activity

Bioburden Break Down Crossword

THURSDAY: THE QA LABYRINTH

Education

The Age of Quality Assurance: A Complete Guide to Quality Assurance in Endoscope Reprocessing (0.5 CE)

Activity

Spot the Bioburden Game

Setup: Print or project a few endoscope or instrument images—some “clean,” some with hidden bioburden, residue, or defects

How to Play: Staff look quickly and circle/mark the bioburden.

Scoring: Whoever finds the most issues in the time limit provided wins.

FRIDAY: THE TEAMWORK TRACKS

Education

Building Habits of Improvement: SPD Style (0.5 CE)

Activity

Find Someone Who Has Bingo
